INTERNSHIP

HYSASTechnologies Private Limited..

03 Months (30th January 2024 30th April 2024)

During my internship, I did full stack development, working on both front-end and back-end tasks. I did various parts of development with my team. I improved my coding, problem-solving, and learned new tech skills. I also contributed creative ideas to projects, improving them. This experience helped me become skilled in full stack development, preparing me for my future career.
